KPRIET SANGAMAM

An Overview

Sangamam , the Unity of arts is an enabler of all the initiatives. The Team Sangamam is a manifestation of 17 clubs to bring out the real potential of our students and to enrich their skills. During the Covid-19 pandemic situation, KPR Institute of Engineering and Technology inaugurated the grand Sangamam for conducting online webinars and various types of cultural and educative events for school and college students. E-certificates are provided for both the internal and external participants as a token of appreciation.

| Vision

To identify and nourish the talents of diverse nature, provide a conducive environment for showcasing potentials and to enhance the creative ability of the young minds for professional and personal growth.

| Mission

To build team work, nurture artistic caliber, foster organizing skills and develop leadership qualities.

To facilitate an ideal climate for exhibiting excellence in academics.
